AL1000**Technical Data**

Name & No.	Watt	kg	Description
Perseus AL1000	1.000W	4,30	<ul style="list-style-type: none"> <li>• IP 66</li> <li>• casing and glass-holding frame made of AlMgSi12, high grade special coating RAL 9018, additionally varnished, hinged, hard glass pane, resistant against temperature changes</li> <li>• with branching box</li> <li>• lampholder: R7s</li> <li>• 230V</li> </ul>
Perseus AL1000S	1.000W	5,70	<ul style="list-style-type: none"> <li>• IP 66</li> <li>• casing and glass-holding frame made of AlMgSi12, high grade special coating RAL 9018, additionally varnished, hinged, hard glass pane, resistant against temperature changes</li> <li>• with branching box</li> <li>• lampholder: R7s</li> <li>• 230V</li> <li>• swivelling</li> </ul>

**Spare Parts**

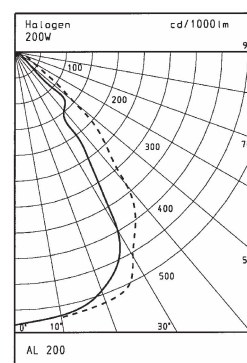

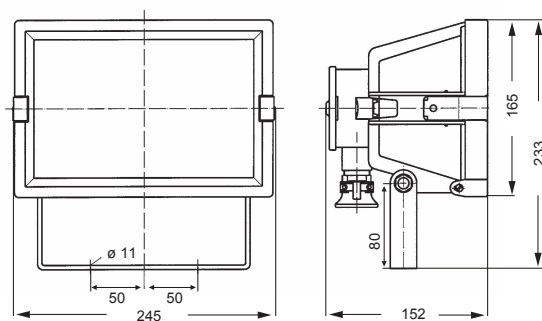

No.	kg	Description
9200234	0,06	halogenlamp 1.000W 230V length 189,1mm
AL1000 GL	1,30	glass-holding frame made of AlMgSi12, high grade special coating (papyruswhite, RAL 9018), with glued in hard glass pane, resistant against temperature changes
468	0,06	pair of lampholder R7s
2200519		glass 375 x 215mm

for halogenlamp 750-1.000W, length 189mm.

Perseus  
AL200**Technical Data**

Name & No.	Watt	kg	Description
Perseus AL200	200W	2,10	<ul style="list-style-type: none"> <li>• IP 66</li> <li>• casing and glass-holding frame made of AlMgSi12, high grade special coating RAL 9018 additionally varnished</li> <li>• hinged, hard glass pane, resistant against temperature changes</li> <li>• with branching box</li> <li>• lampholder: R7s</li> <li>• 24V</li> </ul>
Perseus AL200S	200W	3,50	<ul style="list-style-type: none"> <li>• IP 66</li> <li>• casing and glass-holding frame made of AlMgSi12, high grade special coating RAL 9018 additionally varnished</li> <li>• hinged, hard glass pane, resistant against temperature changes.</li> <li>• with branching box</li> <li>• lampholder: R7s</li> <li>• 24V</li> <li>• swivelling</li> </ul>

**Spare Parts**

No.	kg	Description
H200/24	0,05	halogenlamp 200W/24V
AL200 GL	0,80	glass-holding frame made of AlMgSi12, high grade special coating (papyruswhite, RAL 9018), with glued in hard glass pane, resistant against temperature changes
2201426	0,10	pair of lampholder R7s
2200518		glass 225 x 155 x 5mm
